# **Technical Supplement Correction**

---

The February 29 paper issue of the Technical Supplement inadvertently contains a duplicate of the December 1999 Classification/Cataloging Update, rather than the February Update.

The online edition of the February issue at [http://www.access.gpo.gov/su\\_docs/dpos/techsup.html](http://www.access.gpo.gov/su_docs/dpos/techsup.html) has been corrected, and WEBTech Notes also contains the correct information.

The paper edition of the March 2000 issue will contain the correct February Classification/Cataloging Update.
